QUINCY HIGH SCHOOL

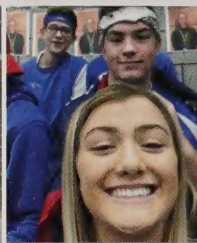

After four years of thinking for ourselves, working together, and sharing with the world, we've finally done it! We, the class of 2019, have made it through high school. Now, it's time for us to spread our wings and fly to new horizons. From every corner of the globe, we will show the world what we can do. :)

Principal Lawrence Taglieri

To the Class of 2019,

You have been a talented and achieving class of students that has left an indelible mark at Quincy High School. As a faculty we will always take great pride in your accomplishments and we eagerly anticipate the remarkable endeavors that you will invest yourself in in the future. You have embraced all that Quincy High School has to offer, made this school your home, and have been a model for our underclassmen. It has been my privilege to be associated with such a terrific group of students.

"TRADITION NEVER GRADUATES"

Vice Principal Ellen Murray

Dear QHS Class of 2019,

In the spirit of the "Growth Mindset," my advice to you is to make yourselves proud. I guarantee that you have impressed someone else along the way, now go out and impress yourself. You've learned so much from your high school experience - both inside and outside the halls of QHS. We cannot wait to see how you Think, Work, and Share your knowledge with the world.

**"One Day or Day One. You Decide"-unknown
Congratulations!

our story begins...

Looking back, on the years we have been at Quincy High School, we have made new friends, classmates, and we are reaching new horizons.

Tomorrow has not yet
come. We have only
today. Let us begin."***

our story begins...

On April 6, 2018

the class of 2019 had their junior prom. The theme was *The Great Gatsby*. Quincy High juniors showed up looking their best despite the snowy weather. The room was packed with people dancing and having a good time and the photo booth was a big hit!

Automotive Technology

Anthony Zhou, Mikey Dyer, Alex Ouellette, Guilherme Ellar, Evan Reynolds, Alan Leary, Brian Jacobs, Thomas Zhou

Automotive Technology trains students in the skills required to meet the demands of the automotive industry. We are NATEF (National Automotive Technical Educational Foundation) and AYES (Automotive Youth Education Services) certified. The NATEF program prepares students for employment as an entry level technician in the automotive repair business. Students are prepared to advance their career through additional technical training programs. Sophisticated diagnostic equipment and emissions testing, coupled with real-world experience, enables our students to repair any domestic or foreign vehicle. Skills learned include servicing the brake, fuel, exhaust, and suspension systems. Students learn electronic diagnostics, air conditioning repair, and billing procedures. Students also learn engine rebuilding and assembly as well as full electrical and computer diagnostics.

Business Technology

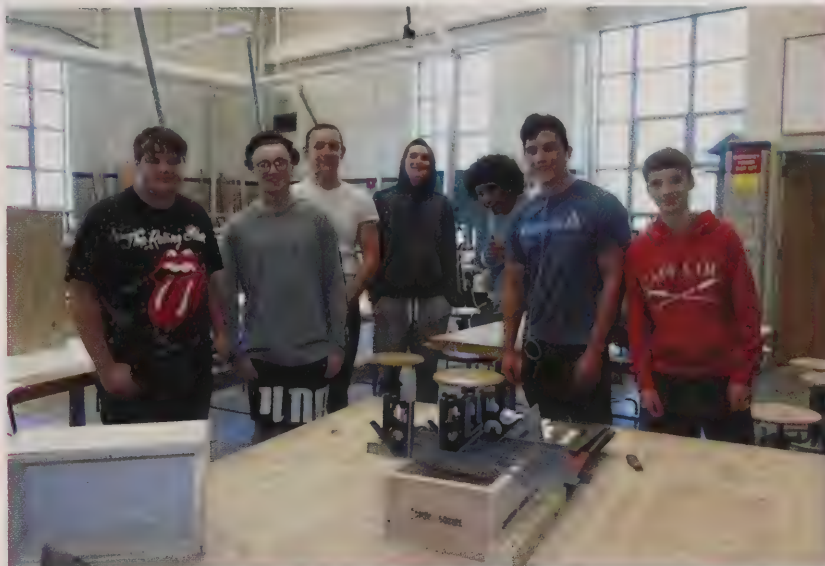

Nora Comerford, Andrew Santos, Xavier Molina, Martin France, Kevin Warner, Jack Cook, Pat Nazzaro, Paul Roach, Olivia Honey

The Business Technology program prepares students for careers in customer service, management, bookkeeping, consulting, non-profit development, administrative support, event planning, sole proprietorships, franchising, and finance. We create a foundation for students to continue their training at a 2- to 4-year college or to start their own business after high school. Students engage in an active stock market game, prepare business plans, develop mission statements, and gain an understanding of structure within a company. Students organize and run effective meetings, demonstrate project management skills, financial concepts and applications, and conduct business negotiations. The program emphasizes ethical business practices.

Carpentry Technology

To learn the carpentry trade, students build cabinets, coffee tables, sheds, entertainment centers, end tables, and more. Architectural woodworking, blending traditional woodworking with sophisticated computer skills, is a valuable skill students also learn. Safety is emphasized. Students work on framing, carving, joinery, architectural woodworking, and finish carpentry. To simulate real-world work conditions, students work independently and in groups. Carpentry 2 students begin working outside jobs including building decks and sheds. Carpentry 3 students work in the community, building job expertise, enhancing their resumes, and learning interview skills. Selected students enroll in the cooperative education program, working in the field while still attending school once a week.

Christian Crowley, Jacob Ball, Chris Peefer, Ryan Melee, Walter Saez, Troy Isaac, Nick Ouellette

Culinary Arts

The goal of our Culinary Arts program is to develop transferable workplace skills as well as specific practical skills. Students can enter the work force and/or continue their education as life-long learners. Students are trained in cooking, baking, restaurant service, and management in a full-service on-site restaurant, exposing them to real world hospitality situations. Projects assigned include menu development, job scheduling, catering, function management, inventory, teamwork building, and cash management. The Culinary Arts program combines hands-on learning with classroom based skills training. Our students have the experience they need to give them the edge for admittance to culinary programs or getting a great start on a career.

Design & Visual

Brian Rivera, Sarah Lemay, Dean Sirols, Sam Sceppa, Alyamman Al-Saad, Emily Thorpe, Brendan Smith, Andy Ha, Karmina Lloga, Sarah Le, Robert Agcoilli

Students in Design & Visual Communications work on a wide variety of projects designing logos, digital photography, poster designing, packaging design, advertising, web design, print production, story boarding, videos, and comics. As students progress, they work on real-world projects for community, school-based, and non-profit clients, learning the teamwork and design skills needed to prepare for design careers. Creativity, technology, communication skills and the ability to meet tight production deadlines are emphasized. Throughout the program, students are expected to perform independent research and give oral and written presentations of their work. Depending on interest, students may wish to take art or computer programming classes along with their Design & Visual Communications classes to further their career options.

Early Education

Maria Villalon, Kalleigh Gauthier, Stacie Kawalansky, Jennifer De Almeida, Kallyn Goff, Kiarra Adkins, Jessica Cruz, Valevia Inocente, Amanda Sullivan, Ashley Hinthorne, Aiana O'Flaherty, Cassie Mayo, Gianna Franceschini, Megan Bailey, Ashleigh Prewitt, London Nguyen, Mrs. Ellis

Early Education and Care is part of the Health Care Technology career major. Students in the Health Care Technology major take an introductory course, focusing on the personal and community level. Early Education and Care courses are designed as interactive, hands-on experiences, where students learn in the classroom and practice at outside placements in real early childhood classrooms. Students prepare portfolios starting junior year which include pre-clinical checklists for placement, evaluations, competency-based frameworks checklists, writing samples, and their philosophy of education. Training in the growth and development of children from birth to seven and child psychology is put in practical use. Students observe and assist in the placement classroom setting. Students in the Early Education and Care program at Quincy High School may become a preschool teacher upon graduation and a lead teacher at the age of twenty-one.

Electrical Technology

Electrical Technology 1 students learn different wiring methods, electrical theory, drawing and reading wiring diagrams, and National Electrical Code (NEC). After obtaining OSHA certification, Electrical Technology 2 students work on advanced shop projects and participate in work projects on and off campus. In the classroom, students learn AC and DC current, three phase and single phase systems, and blueprint reading. Electrical Technology 3 students draw, lay out and wire entire rooms, configure and size electrical service and circuits for residential homes, wire fire alarm systems, security systems, motor controllers, and transformers. Hours earned for successful completion apply to the Massachusetts State license requirements. Students have a basic understanding of the Massachusetts Electrical Code and basic wiring and circuitry. Selected students are considered for the Cooperative Education Program which allows students to seek employment or apply for entry into higher educational programs.

Kyle Gates, George Harrell, Shane Tapper, Mike Travis, Kellum Hoang, Robert Cabral, Ryan Carter, Matt O'Brien, Nick Murray, Jorge Arrendel Pimentel, Bobby Zangla, Joe Matfa

Engineering Technology

The Engineering Technology Career program has three tiers. Foundation Courses introduce students to basic engineering concepts and processes. Specialization Courses teach biotech, civil, and computer engineering in more depth. Engineering Design and Development allows students the opportunity to research an engineering principle in depth, write a paper, and then defend their findings before a panel of experts.

Bruno Milmoju Uwaoma, Rodney Parisen, Nicholas Wong, Stephen Pham, Lucien Theberge,

Fashion Design

Kayla Groulau, Maya Francis, Julianne Gazzola, Anna Ferrel,
Mariam Khamis

Students get thorough training in sewing techniques and construction methods. Fashion influences and history, coupled with art courses, ensure that students create a portfolio which can help them gain admittance to competitive fashion programs. Fashion Design 1 introduces sewing concepts and studies world fashion influences on design. Fashion Design 2 students continue refining their sewing skills and begin learning to design and construct clothing. Fashion Design Major 1 gives students additional design and advanced clothing construction skills. Fashion Design Major 2 students create original-design sample garments and fashion sketches for their portfolio. Students may work at an internship to get an inside view of the fashion industry.

Film Production

Izzy Allegio, Amber Norton, Kayan Osorio, Danny Malet, Shane Stokes, Shane Gunniff, Gina Marcella, Ryan Polsgrrove, Andrew Arthian, Nick Hewer, Nick Burrow, Nick Natsios, Jason Chu, Marcus Lapiste, Miguel Garcia, Aidan O'Connell, Colin Keaveny, Brendan Keaveny, Albi Biba

Film & Television Production training provides a broad-based preparation for students. Film & Television Production 1 students learn all of the positions and equipment on a studio show including director, producer, news, technical and management. Students also use portable video equipment for location shoots. Film & Television Production 2 students write a screenplay, shoot and edit a movie which students direct, film, record, and act. They complete a series of projects including a music video, a commercial, internet podcast, sports announcers, animation, and interviews. Film & Television Production 3 students produce the morning Announcements, a daily live show that is broadcast weekly on Youtube.

Health Care

Health Care Technology career preparation provides students with a thorough knowledge of the health care industry. Initial focus is on health career exploration, patient care, leadership skills, computer literacy, and medical business skills. Upon completion of Health Care Technology 1, students may become certified as nursing assistants through the Massachusetts Department of Public Health at our on-site testing lab. Students who complete Patient Care are eligible to take the Massachusetts Council of Home Health Aides exam.

Hayley Parfitt, Alyssa Brain, Lynn Butler, Angelica Gonzales, Catherine Hall, Ariana Vill, Emma McGillicuddy, Holly Blais, Maguire Tierney, Hannah Ford, Vivian Lo, Maggie Zheng, Braeden Johnson, Kirby Nguyen, Ley Tran, Ali Dehtiaei, Sara Avdula, Stephanie Sola, Hannah Stempel, Abigail Amichetti, Shalvey Ramirez, Allison O'Reilly, Elisabeth Ross, Isabel Doherty, Keylani Woodley, Shara Gohari, Blarina Bridgwick, Sarah Ansley, Natalie Chenetie, AJ McGilvray, Tina Zhou, Megan Lahr, Solma Hassan.

Information Technology

The goal of Information Technology career preparation is to give students the hands-on experience and training necessary to become certified, successful information technology professionals. Information Technology 1 students study computer hardware and software, learning to diagnose, upgrade and repair PCs. Students are prepared to pass the CompTIA A+ certification exam. Information Technology 2 students expand their hardware skills and learn computer networking. Students are prepared to pass the CompTIA Network+ certification exam. Information Technology 3 students focus on computer programming and computing beyond the desktop. Resumes and portfolios are created. Many students receive internship opportunities for on-the-job experience.

Ethan Graney, Manush Tandon, Brandon Nguyen, Donald Hurid, Jack Chen, Anthony Gattuma, Andrew Scott

Metal Fab/Welding

Bobby Dunn, Kyle McCann, Andrew Cudmore, Derrick Jordan, Tom Foley, Andy Ryan, Corbin Simone, Kyle Oilman, Robert Farnilla, Robert Gough, Robert Blowers, Matt Connolly, Amari Sumpster, Benson Nguyen

Metal Fabrication/Welding Technology career preparation teaches students gas metal arc welding, CNC plasma arc technology, blueprint reading, layout, fabrication of light and heavy gauge metals, shielded metal arc welding, soldering, brazing, oxygen/acetylene welding and cutting. Our shop uses a variety of machinery. During the three-year program, students receive over 728 hours of shop and related training. Written and practical exams are given throughout the program for certification in the American Welding Society. Welding skills are taught to the American Welding Society Qualification Standards. OSHA Construction certification classes are taken for an additional certification. The testing and training in accordance with the American Welding Society standards prepares for entry level positions in the Welder-Fitter and Certified Massachusetts Bridge Welder occupations. Students are prepared to go on to immediate employment or higher educational programs. In addition we have agreements with local unions and technical colleges to accept our program for credits toward apprenticeships.

Plumbing Technology

Hunter Ploof, Gavin Degust, Kyle Tobin, Brian O'Conner, Daniel Murphy, John Walsh, Michael Lomanno

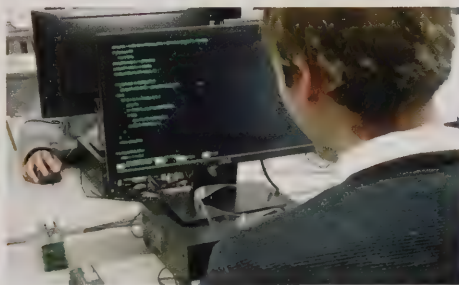

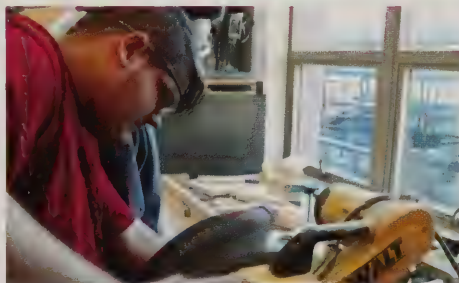

Plumbing Technology provides students with knowledge and skills necessary to become plumbing apprentices. Students learn plumbing theory in the classroom and hands-on experience in the lab. Students gain proficiency in construction safety, measuring, cutting, joining methods of various materials, and regulations governing plumbing and gas fitting design and installations. They learn to repair and service plumbing and fuel gas systems including fixtures, valves, controls, piping, and related apparatus. All aspects of the trade and work readiness skills are emphasized. Completion of all courses allows students to seek entry level employment as an apprentice plumber.

Protective Services

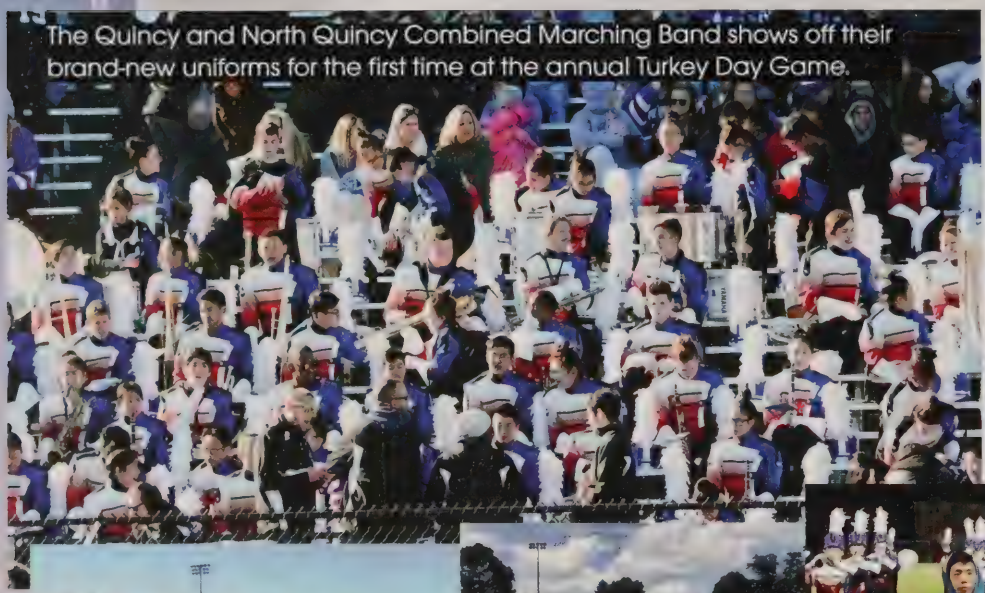

The Protective Services program introduces students to a variety of careers including: police officer, firefighter, emergency medical technician (EMT), or FBI agent. Students participate in law enforcement activities including trips and exercises with Quincy Police, Massachusetts Department Of Corrections, Quincy District Court, Quincy Fire Department, U.S. Customs and many other agencies. Protective Services students work closely with the Quincy Police Department to better understand the human and legal aspects of these demanding careers. Speakers from many law-related careers give students an inside view of protective services careers. During Protective Services 3, students prepare to pass the National Academies of Emergency Dispatch 911 certification exam. Students leave this program with a resume and their own portfolio for application to college, training programs, or employment.

BAND

The Quincy and North Quincy Combined Marching Band shows off their brand-new uniforms for the first time at the annual Turkey Day Game.

Junior Kendrick Kheav stands proudly as a member of the revived color guard.

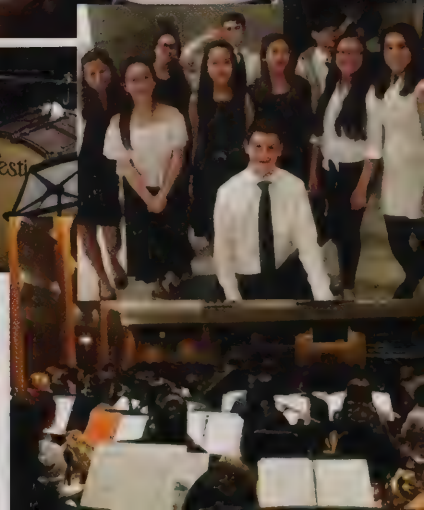

"Always remember to be mindful."
- Mr. DeMarco

Seniors Dan Hagborg and Steven Nguyen practice diligently during band class.

After marching season is over, the band gears up for concert season. The band plays everything from the classics to original pieces composed by Mr. DeMarco himself.

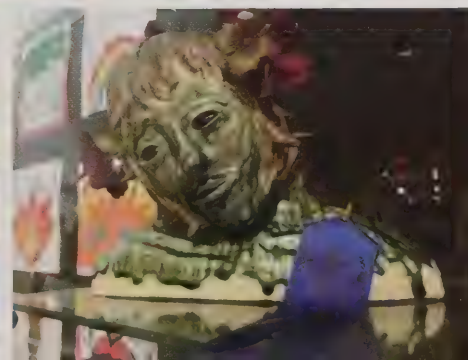

ART

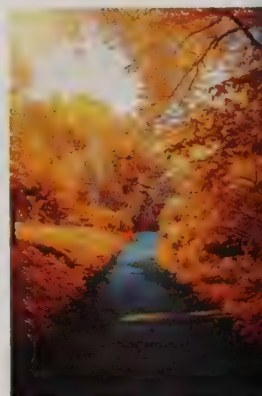

Quincy High School's Art Department allows for exploration in all facets of the arts from sketching to pottery to painting. Students are free to branch out and try new mediums, ultimately using their imaginations to create wonderful artwork.

Senior Jola Laguda poses in her smock, ready to use the pottery wheel to turn a lump of clay into a mug.

This was the first year of the new Quincy High School golf program. Our student athletes were asked to do things they've never done before, such as morning workouts twice a week with a strength and conditioning coach and practice at Granite Links every Friday to hit buckets and work on our short game. My players are the ones who can change the attitude and the mentality of how the golf program is perceived, and if they work hard they can lay a foundation for many more successful years."

- Coach Salvucci

Winning games against Weymouth, Pembroke, and North Quincy (twice), the golf team struggled together and handed this season. With the friendships made, they will overcome future obstacles.

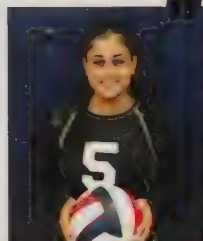

"It has been an amazing experience and my captains, Bobby Dunn, Nolan Walker, and Dan O'Leary, have supported everything we have done and been tremendous role models for the other players on the team."

- Coach Salvucci

The QHS Girls Volleyball team has had a successful season with an overall record of 16-6. These girls fought hard to gain themselves a spot in the tournament. The three captains Gianna, Julianne, and Colleen helped lead their team to victory. Volleyball has taught these girls how to work hard, make the most of every moment, and a better team on and off the court. They are league champs and a group of girls who genuinely enjoyed every minute together.

■■■■■
The Quincy High Cheerleading team has gone through a tough season this year. The team has had to deal with several injuries and missing members. None of them stopped them from making this season a success. From placing first in their division, and third overall in their league with a score of 89.7, to placing second in the coed division at regionals, and finishing one of the top five at states, the Quincy High Cheerleading team has never been better.

CHEERLEADING

Cassandra Davis

Captain

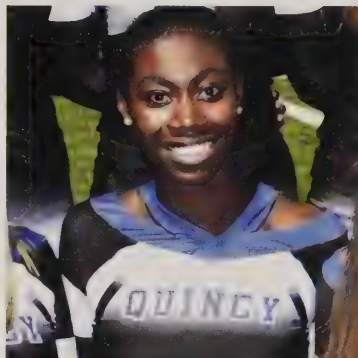

"I'm the most cheerful person you've ever seen."

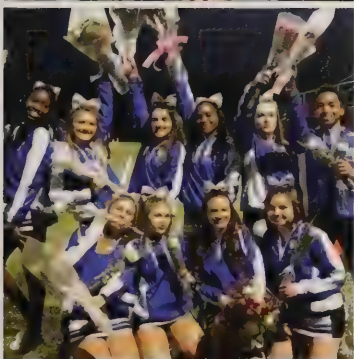

MiahLouise Francis

Captain

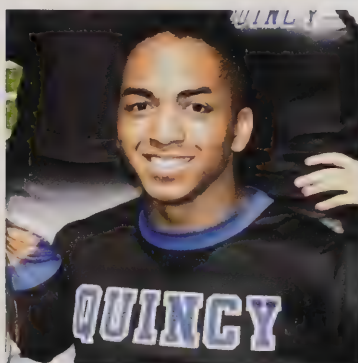

"I say I'm gonna quit every year, but here I am."

Mason Honrado

Captain

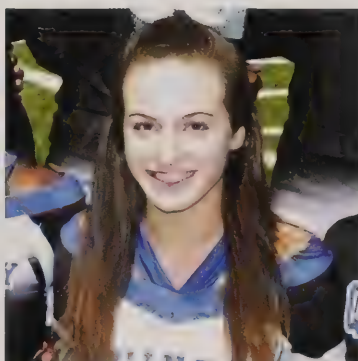

"I'm the real reason why this team is coed."

Elizabeth Roos

Captain

"I'm the cheer captain Taylor Swift sang about in 'You Belong With Me'."

FOOTBALL

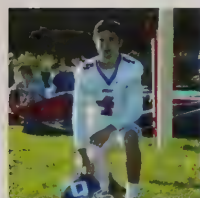

The Quincey High Football team finished the season with a record of 3-8, defeating Silverlake and having back to back wins against Durfee and Pembroke, the first league win in four years.

in loving memory of

LUC THEBERGE

Friend. Brother. Scout.

Luc Theberge was truly one of a kind. He lived life with such unapologetic intensity. In class, Luc was always the first to raise his hand and the last to leave. He was someone who put his all into every single thing he did. His outgoingness and passion for life was contagious. You couldn't help but smile when he entered the room. He will be remembered as a friend, leader and teacher. Keep climbing mountains, Luc.

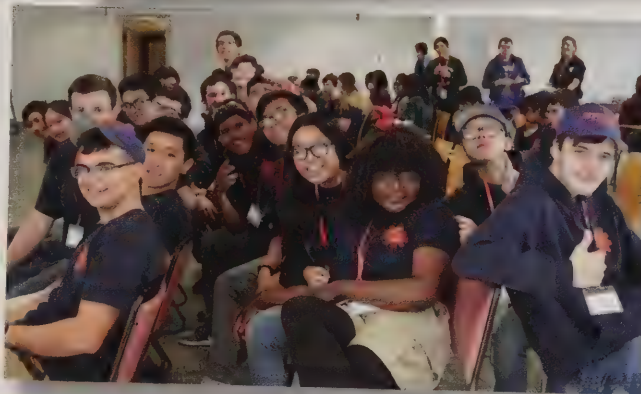

Luc never let anything challenging get in his way. He would always pour his heart into what he did even if he didn't know how to do it. From middle school to high school, he made the ~~classes~~ feel lively. He was a truly unique and unforgettable person

- Austin L

Luc was always UP for a laugh, or a debate. From Times to physics equations, he threw passion into everything he talked about. I'll miss you forever

- Jola, your biggest Thickem

Luc was a force to be reckoned with. He was someone you couldn't help but gravitate to. I'm thankful that I was able to call him my friend.

Thank you for everything
Love you always ♥

Luc was always there for anyone in need of help. He may not have known what to do, but things always ended up good with his guidance. There was never doubt when working with him, there was an aura that radiated through him. Gillette, armed with confidence and hope in themselves, their big mother in some way or another. Unreplicable, one-of-a-kind and unforgettable.

- Best,
Steven Pham

No Shoes No Problem

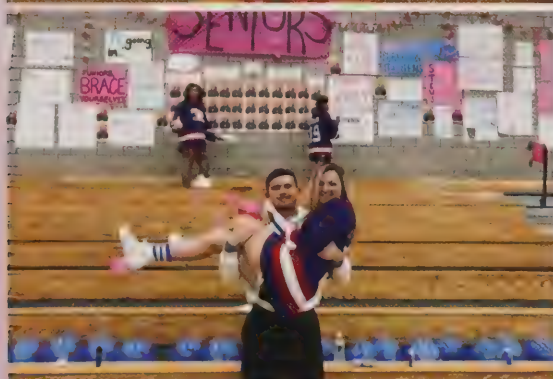

Homecoming

This year's Homecoming Dance was a huge success! The music was awesome, the photobooth was goofy, and the seniors dominated the dance floor.

Congratulations to everyone nominated for homecoming court and to King Kevin Warner and Queen Gianna Franceschini.

Spirit Week

can't hear you...

Spirit Week was over before QHS knew it, but not before we rallied together over the course of six days. The Spirit Cup was given to the seniors, who ruled the school in pizza suits and jerseys. Hallways buzzed with laughter and excitement. The Homecoming dance was a success, especially for King and Queen, Kevin Warner and Gianna Franceschini. Spirit Week ended with an exciting fall rally that the Class of 2019 will miss. Keep Calm and Carey On, Senyachs.

What's more exciting than the class rollercoaster? Lead by Ryan Cefalo, the seniors took one last ride at the fall rally before taking home the class cup.

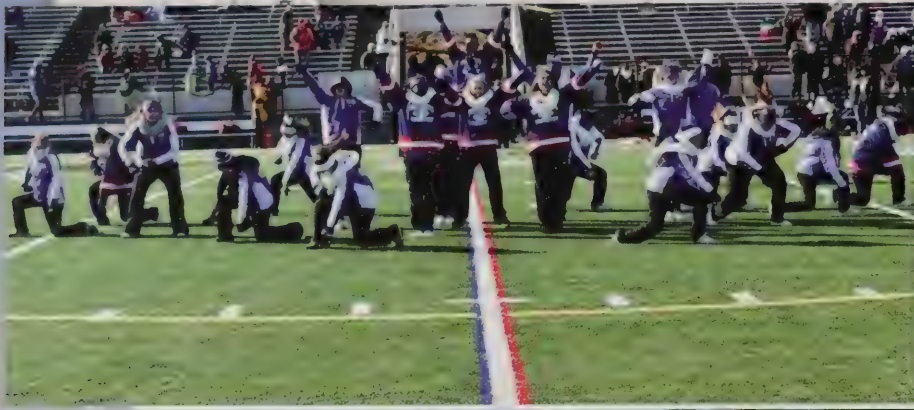

Pep Rally

"We won't miss you.."

At the 2018 Pep Rally, spirits were high and there was magic in the air. This year, the spirit cup was given to the seniors who dominated spirit week with their creative and unique costume ideas. Not to mention, the senior powderpuff team destroyed the sophomores, giving them bragging rights over the other grades. With great music played by the band and the energetic performance from the cheerleaders, this rally was one for the books!

Also, shoutout to the MCs: Kairah Neves-Riviere, Rachel Smith, Gianna Franceschini, Maggie Tierney, TJ Ortiz, and Ryan Cefalo for hyping up the crowd and livening up the mood. Great job seniors!

Turkey Day

Happy Thanksgiving

The annual Turkey Day Game is a chance to rival against North Quincy, for classmates to cheer on their football players before the season ends. Despite the cold weather, fans came to support the boys as they fought through a hard game. Junior Tommy Lee scored a touchdown. The cheerleaders were out there cheering on the boys as they played one last game as a Quincy High football player. Though it was a tough loss, the team will always remember their final moments as a football family.

At the annual Winter Concert, the Quincy High School Concert Choir filled the room with their joyful voices. The concert opened with "Music Spread Thy Voice Around" by G.F. Handel, with freshman soloist Rebecca Morris, and ended with the 1953 smash hit "Santa Baby" by Eartha Kitt, with solos by Lynn Butler, Iris Katorri, Kairah Neves Riviere, and Camila Gonzalez. The Concert Choir was happy to bring cheer to the audience and is thankful for everyone's support.

CONCERT ♪:

Quincy and North Quincy High Combined Band performed festive pieces at the annual Winter Concert. Selections ranged from "Winter Hymn" (then by our very own Mr. DeMarco) to classics like "Have Yourself a Merry Little Christmas". Towards the end of the concert, Mr. DeMarco and Mr. [unclear] both made surprise appearances as Pinky the Elf and Santa Claus! The band rounded out the concert with an impromptu performance of [unclear] Ride. The band was given the piece only two days prior to the concert!

BOY'S HOCKEY

"Four years of high school is truly a journey and for our seniors who were fortunate to live that journey, I have to say thanks on behalf of the coaching staff. We truly loved every second of it. You were handed a successful program by the seniors before you and all they asked was, "keep it rolling", and you did. You have qualified all four years for tourney and the MIAA gold achievement, and you have seen the program completely dominate NQ with a record 7-1. You've brought excitement and joy to people that you've never met, as well as those who know you very well." - Coach Walsh

QNG GIRLS HOCKEY

The QNG girls hockey team started this year without a goalie, but had its season saved by Maggie Tierney. The senior, playing organized hockey for the first time in her life, got a victory in the first game of her career and had an amazing season. Senior captain Cassandra Davis had an incredible year leading the Patriot League in scoring with 38 goals and 14 assists for 52 points. She leaves Quincy High as the most prolific scorer in program history. Her 125 goals and 68 assists for 193 points make her the program's all time leading scorer with almost 70 points more than the second place player on the list. Seniors Megan Mullhern and Maeve Walsh also had a great 4 years and will be missed.

The five seniors were the heart of their team this past winter and guided their team to another berth in the M.I.A.A. State Tournament. The team finished with a regular season record of 15-7. The team had a winning streak of six games in the middle of the season and a five game win streak at the end of the season. The season ended with an overtime loss to Catholic Memorial after battling back from a 12-point deficit with 2:30 to go in the game. All in all, it was a memorable and successful for these young men.

Science Fair

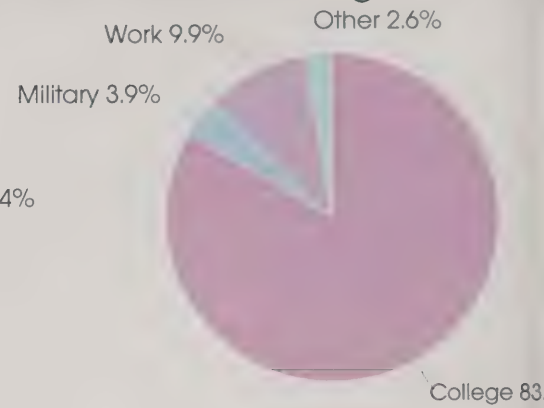

"The QHS STEM fair is a wonderful opportunity to showcase individual, research based projects in science, technology, engineering and mathematics to our local community. Many QHS students move on to the regional and state fairs, where they compete with other schools and have the ability to win grants, scholarships and other prizes for all their hard work and extensive planning and research."

Cultural Fair

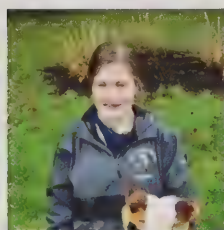

our story continues.

On April 9th, cultures across the world collided in the QHS gymnasium. From table to table, food from each country was spread throughout for enjoyment. The festive celebration was shown in a new light by the introduction of the "International Dance Club". Each dancer held a flag from one of the representing countries, and danced to music in many different languages. Diversity is very important in our community and the cultural fair is a way to bring everyone together as a whole.

Being on the sea is the dream of many pirates, retirees, and funny enough, high school students. This collaboration of efforts between Quincy High School and North Quincy High School shows a dedication of sport through harsh conditions.

It was a great year for the Quincy High School tennis team as they took home many wins and welcomed new and returning members. The team worked hard and practiced every day. This year's girls team was led by senior May Huang and junior Tiffany Pham. The team improved greatly from last year, with multiple individual wins. Seniors Austin Li and Steven Pham were captains of the boys team this year. The team bonded and grew stronger, pulling a couple of wins at the end together. Overall, the whole tennis team had a productive season and is looking forward to see what they can accomplish in the future.

SPRING

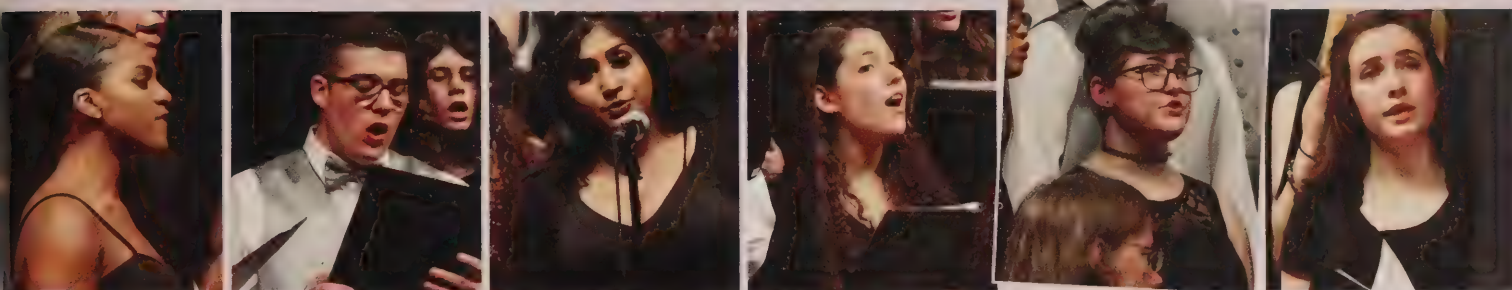

To many many more.

The Quincy and North Quincy High School Combined Concert Band played its most difficult line-up to date! Showcasing their diverse musical repertoire, the band played a range of pieces from slow ballads to energetic pieces like "Symphonic Overture". This spring concert also saw the debut of the wind ensemble! Tackling a huge challenge, the ensemble played Gustav Holst's "Second Suite." With limited preparation, the ensemble and the Band did a fantastic job.

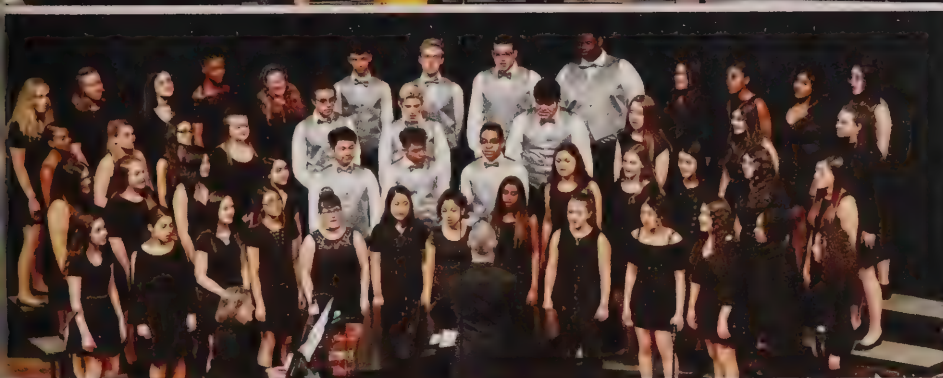

CONCERT ♪:

Kiss Today Goodbye.

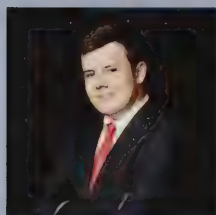

At the annual Spring Concert, the Quincy High School Concert Choir sang like they've never sang before. The choir opened with "Sicut Locutus Est" by Bach Magnificat and from there, the rest was history. The concert closed with the song "What I Did For Love" from the musical *A Chorus Line* with solos by seniors Ciana Williams, Collin MacDonald, Lynn Butler, Tabassum Anowar, Holly Blois, Kairah Neves Riviere, Mason Honrado and Cecelia McGee. The Concert Choir was happy to bring cheer to the audience, especially the seniors as this was their final concert at Quincy High School.

Student Achievements

Joe Amendolare, Lesley Chen, Tiffany Chen, Joe Desmond, Matthew Sheridan, Samantha Van Getsel have been named the 2019 Commended National Merit Scholars.

COMMUNITY SERVICE

Cassie Mayo got over 1000 hours of community service.

Eamon Mayo got over 1000 hours of community service.

Colleen Connor got over 300 hours of community service.

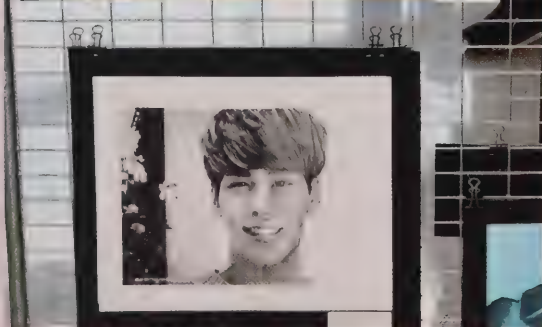

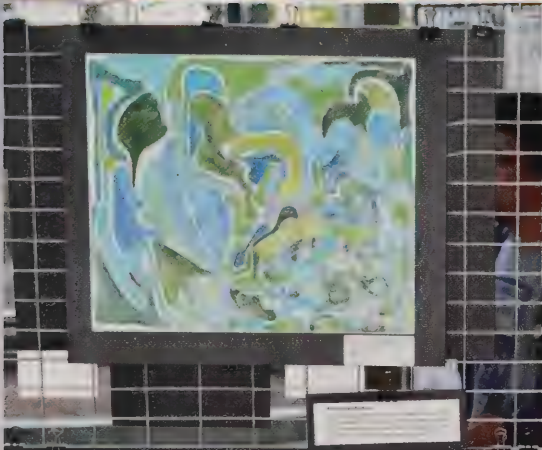

During the winter, Robble Conroy volunteered "52 a Bog" in Roxbury.

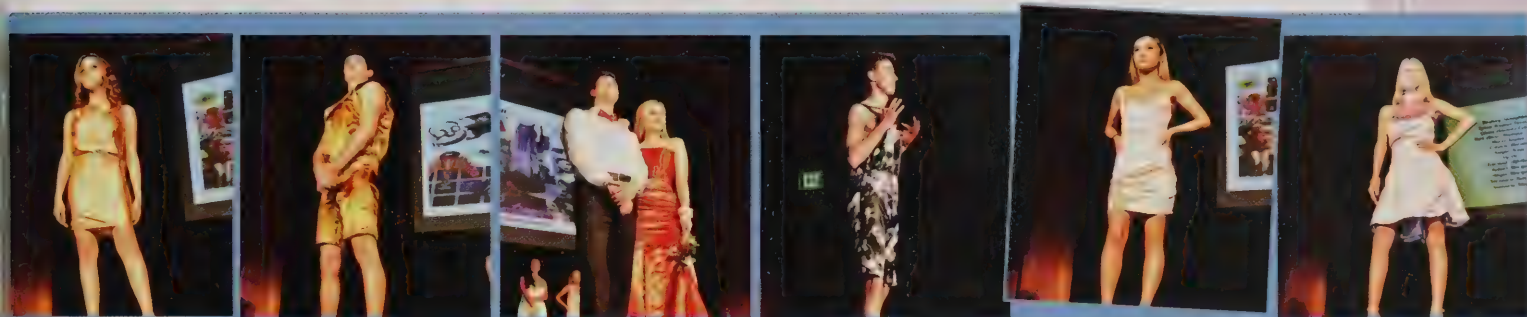

QHS Community Service mentions!

Quincy High School students did a fantastic job with their community service. The QHS soccer team surprised Joe Amendolare, their teammate, at the annual "Diabetes Awareness Walk" by showing up and joining him. The QHS and NQHS attended the "Walk for Hunger" so they could raise money for Project Bread, which helps local food pantries and to help feed families. QHS made a strong presence at the annual "City of Presidents Road Race". Also, QHS and NQHS girls basketball teams got to join the "Foul Shot Against Cancer" fundraiser. The QHS hockey team did "Wreaths Across America". While the 10th graders did MCAS, teachers and students of QHS took the time to clean up the school. The QHS students hosted a lunch time pizza fundraiser for the Muscle Dystrophy Association in March and "Muscle Walk" in May.

The QHS soccer team made a shirt to support their teammate, who was diagnosed with type one diabetes Joe Amendolare.

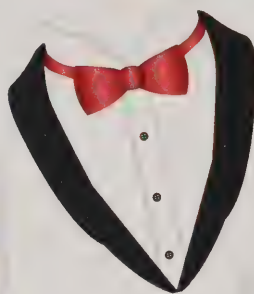

Fashion & Art Show

Beauty Action Pose

"As a freshman, I knew I wanted to take on fashion technology, but I didn't know I would fall in love with it. That year, everyone was so excited to be making dresses and just being a part of the show. Sophomore year, our class made jackets, eco-friendly outfits and decades outfits. We got to do fun activities and learn amazing techniques to help us. Getting to be a fashion major and making my own collection has been the highlight of senior year. I loved getting to be the coordinator of the show with Julianne Gazzola. I can't wait to make more garments in college as a major and also can't wait to be a known designer."

Senior Prom

*Tonight
is the night...*

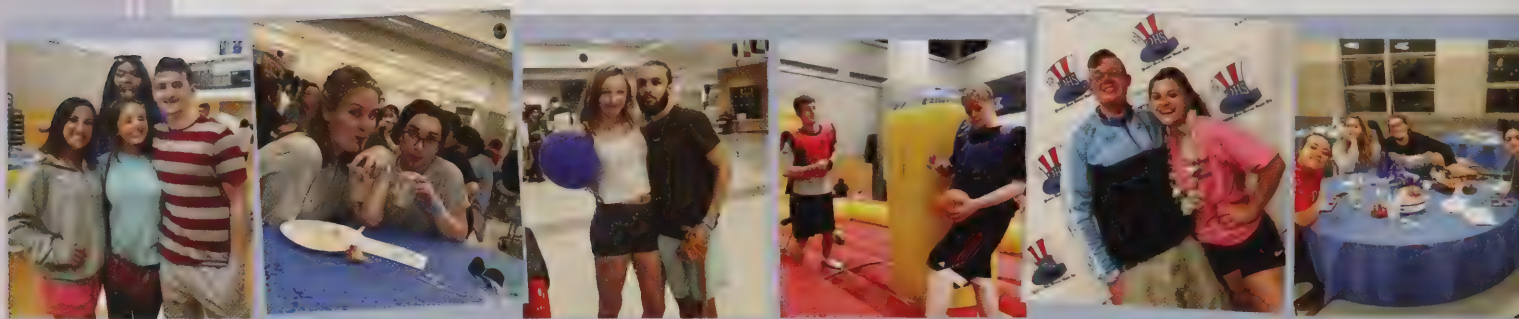

The class of 2019 got together one last time before graduation on June 7, 2019 at the Boston Marriot in Quincy for senior prom. It was a night to remember with great food, dancing and everyone in their fanciest attire.

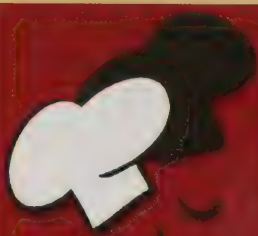

Senior Night Out

The strong finish...

Senior night was without a doubt one of the best nights for the class of 2019! It was full of fun, laughs, and delicious coffee and foods. From the casino to the obstacle course and of course Nik, the show stopper owning the dance floor. It was definitely an unforgettable night for everyone!

GRADUATION

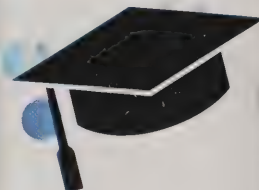

A new beginning....

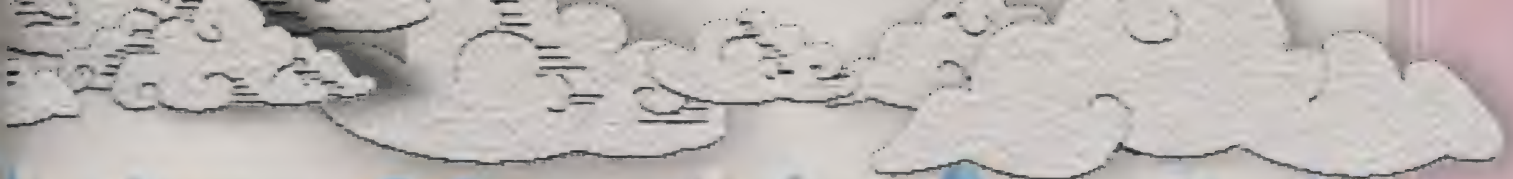

On June 11th, the class of 2019 said their final goodbyes to Quincy High School. The graduating class has been through so much these past four years and have worked hard to accomplish many things, leaving behind all the memories that most will cherish forever. With that being said, it is now time to put an end to this chapter and let a new one begin.

Congratulations class of 2019!
